Education Information

Doctorate, Ege University, Fen Bilimleri Enstitüsü, Biyoloji, Turkey 2008 - 2011

Postgraduate, Ege University, Fen Bilimleri Enstitüsü, Biyoloji, Turkey 2005 - 2008

Undergraduate, Ege University, Faculty Of Science, Biyoloji, Turkey 2000 - 2005

Biography

He was born in İzmir in 1982. He completed his primary, secondary and high school education in İzmir. In 2005, he graduated from Ege University, Faculty of Science, Department of Biology. He completed his master's thesis, which he started in the Department of Biology at Ege University, Institute of Science in the 2005-2006 Fall semester, in 2008 and started his doctorate study in the same department. He completed his dissertation studies in the joint doctoral program of Ege University Institute of Health Sciences, Department of Parasitology and Ege University, Institute of Science, Department of Biology in 2011 and received the title of Doctor (PhD). The October 2019 period was found successful in his application for associate professor, after his works were examined, and he was awarded the title of "Associate Professor" in the Department of Health Sciences, Medical Parasitology. He has 24 scientific publications, 12 of which are listed in "SCI" indexes, and 38 symposium publications in proceedings, 22 of which are international. Between 2005 and 2021, he conducted 15 scientific research projects (he was project manager in 7 of 15). In addition, there is an ongoing TUBITAK project that he is the manager of. He is still working as a lecturer in Çukurova University, Karaisalı Vocational School, Department of Plant and Animal Production. He is married with a two children.
